	<i>Assessment: Total number of all vendors:</i>
	<i>25; producers: 15. Calculation:</i>
	$\frac{15}{25} \times 100 = 60\%$
	<i>The given market is a TRUE Farmers Market.</i>
	<i>The individual inspection reports were provided to all food vendors at the market.</i>
	<i>The Market area was observed clean, well organized, garbage bins were observed. Public washrooms were available at the Flesherton library (at the same area as market).</i>
	<i>All in compliance</i>
